MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Policy Letter 2 - Equal Opportunity (EO)

1. The 2nd Battalion, 6th Air Defense Artillery Regiment opposes discrimination in any form and fully supports the standards established by the Department of the Army regarding equal opportunity.
2. Every member of the 2nd Battalion, 6th Air Defense Artillery Regiment is afforded equal treatment regardless of race, gender, age, color, religion, national origin, and sexual orientation. We must eliminate personal, cultural, or institutional discrimination via affirmative action, which is designed to end such practice. Every Soldier in the Battalion has the opportunity to use established complaint procedures and the chain of command without fear of reprisal, coercion, or intimidation.
3. Supervisors at all levels are directly responsible for ensuring equal opportunity and treatment within their span of control.
4. Equal opportunity within the Battalion is an integral part of our objective. We expect every member of this team to make a meaningful contribution to these efforts.
5. As your Battalion Commander, I am committed to resolving EO issues with assistance of our Battalion and Brigade EO offices as well as the Fort Sill Inspector General or EO office.
