If you have Army PT uniforms, Civilian Attire is not required.

1. Do not bring the following as part of your 5 sets of civilian workout clothes:

a. Tank tops/sleeveless/tube top/form-fitting shirts, or “yoga” pants/ short shorts/ biker shorts. We conduct physical training in large, mixed gender groups.

2. We will be going to the Central Issuing Facility (CIF) on day two, for you to draw additional equipment. For the (National Guard, Army Reserve Soldiers, or prior service Army) that have already drawn the equipment at their home station and have them on your clothing record, please bring with you the following. ****National Guard and Army Reserve Soldiers need to draw CIF equipment prior to arriving at DCC****. At a minimum must have Assault Pack, Eye Protection, Gloves, and OCP Camelback System. From October to April all cold weather undergarments to include Wet Weather Jacket, Soft Shell Jacket and Fleece.

Army issued Hydration System (Camelback) OCP color,
OCP Assault Pack (Back Pack),
full size ruck sack or medium ruck,
eye protection,
cold weather top and bottom,
cold weather fleece, neck gator,
all cold weather undergarments,
OCP FLC Rifleman Kit and
wet weather top.

Failure to bring these items and they are already on your clothing record you will be required to purchase them here and they will not be issued to you by CIF as you already have them. CIF only Issues Equipment to Active Duty Personnel. It does get cold in Oklahoma, It is critical that you do not forget any cold weather gear that has already been issued to you.

IF YOU ARE GOING TO NEED TO BUY UNIFORM ITEMS AT FORT SILL, PRINT THIS LIST AND BRING IT WITH YOU, IT WILL BE YOUR "SHOPPING LIST" WHEN YOU GO TO MILITARY CLOTHING AND SALES ON DAY 1 OF THE COURSE. Be advised, Clothing and Sales may not have every item in stock.
