

Enclosure 2: Temporary Prior Service Screening Guidance for AMEDD Direct Commission Course Training.

a. The following guidance applies to prior service personnel attending AMEDD DCC during the period 15 May 2020 to 15 May 2021.

b. Prior service personnel entering the Army Medical Education System are granted constructive credit for the AMEDD DCC if they:

(1) Completed Army Basic Leader Course (BLC) or USMC equivalent basic non-commissioned training, or

(2) Completed training for U.S. Air Force (USAF) or USN Special Operations Forces, or USAF Security Police, and

(3) Have less than a 5-year break in service.

c. Continuous service with applicable training certifications/completion or DD214 with appropriate training documented will serve as required validation of training

d. Prior service personnel from the USAF, USN, and U.S. Coast Guard entering the Army will attend AMEDD DCC regardless of the length of their break in service if they:

(1) Have not completed Army BLC or USMC equivalent training, or

(2) Did not complete training for USAF or USN Special Operations Forces, or USAF Security Police.

e. Definitions—

(1) “Break in service” is defined as the last period of service, including the IRR, regardless of component. For Soldiers who separate, break in service starts after completion of the military service obligation or when a Soldier (regardless of service) is no longer a member of a RC (including the IRR).

(2) AMEDD DCC requirements are defined in ATRRS.
