

DEPARTMENT OF THE ARMY
HEADQUARTERS, 428TH FIELD ARTILLERY BRIGADE
3410 CRANE AVENUE
FORT SILL, OKLAHOMA 73503

Welcome to the 428th Field Artillery Brigade, the "Cornerstone," of the Field Artillery. The mission of the brigade is to train Soldiers, Marines, and Allies in Field Artillery core competencies in order to provide proficient integrators of lethal and non-lethal fires to the operational force. You have an important role to play in the accomplishment of our mission, and we're excited to have you join our team.

Our brigade, its Soldiers, Civilians, and International Partners embody excellence and pride ourselves in being the cornerstone in technical proficiency, physical fitness, and leadership. We take in the idea that our efforts have a direct impact on the advancement of the Fires Force, and the advancement of the Fires Platform. The U.S. Field Artillery deserves the best, so we expect the best effort from every member of the 428th team.

What can you expect of us, the 428th leadership? Cadre and permanent party are the Cornerstone Brigade's #1 priority. Every decision or recommendation we make is with that in mind. That may not always be the decision that the individual wants, but it is carefully thought through. Holistic Health and Fitness and Leader Development is the Brigade's #2 priority. We will incorporate H2F and leader development into all that we do. Modernization and a focus on the future is the Brigade's #3 priority. We must navigate change, and continue to improve not only ourselves, but the courses we instruct and thereby the future force. If you keep these priorities and mind, and ground yourself in character, culture, and climate, you will excel.

The Command Sergeant Major and I are confident that you will find your time as part of the 428th team both challenging and rewarding. A sponsor has been assigned to you and will help with your transition to Fort Sill and integration into your assigned unit.

First and Always!
