Welcome to the Headhunters Team! You and your Family are about to begin one of the most rewarding assignments of your Army career.

Headquarters and Headquarters Battery, 434th Field Artillery Brigade Family has a long and proud tradition of service to the United States Army. Our mission is to operate and support ranges and training sites, provide ammunition and instructor support to Basic Combat Training (BCT), offer medical training, and create a thriving community for Soldiers, Civilians, and Families.

As a Headhunter, you will experience an opportunity unlike any other in our Army. Our instructors receive a Cadre Training Course and experience working with trainees as they start their journeys within the Army. Follow-on schooling is plentiful, and you will have regular opportunities to travel and experience new locations and aspects of our Army. Upon completion of your assignment here, you will have a greater awareness of strategic issues, an appreciation for the nuances of initial military training and preparing the next generation of Soldiers, unique insight into dealing with people, and the skills to serve as a world-class trainer in your next unit of assignment. Most importantly, you will serve alongside Officers and NCOs who are true professionals who embody the ethos of mission command.

We understand that moving to a new unit is a stressful time. We will assign you a sponsor using the Army Career Tracker (ACT) system to ease this transition. Your sponsor will answer any specific questions you may have about the unit, Fort Sill, or the general area. You may also contact our BDE S1 for additional information at (580)442-1229 or usarmy.sill.fcoe.list.434th-fa-bde-s1@army.mil

We look forward to your arrival and serving with you and your Family.

Seek, Strike, Destroy!

Sincerely,
