Lawton Municipal Airport

Arrival Lawton Municipal Airport

**3401 SW 11th Street
Lawton, OK 73501**

There is a military representative at the Lawton Municipal Airport from 4:30 a.m. until the last flight arrives, usually about 10:30 p.m. Upon arrival at the airport, you may want to stop by the military desk and request a Fort Sill Guide booklet and a Map. The booklet contains information, a phone directory, and Fort Sill/Lawton maps. The map also contains information, the Lawton map on one side and Fort Sill map on the other side.

If you drive from the Lawton Municipal Airport to Fort Sill, once you leave the airport you will come to a stop sign at 11th Street. Turn left on 11th Street and remain on it; it will become Fort Sill Boulevard that will lead you directly to the installation through Scott Gate. The distance from the Lawton Municipal Airport to Fort Sill is about 5 miles. You and your dependents will need a military ID card to gain access on post. Security

personnel stationed at the gates should provide additional assistance and will direct you to the Lodging, Officer in Charge (OIC) after working hours, or the Welcome Center, depending on your orders, time of arrival, rank, and marital status. It is not recommend that you fly to Oklahoma City Will Rogers World Airport, unless you are planning to rent a car at the Will Rogers World Airport in Oklahoma City to drive to Fort Sill. There is no public transportation to Fort Sill from OK City, unless you use the Greyhound Bus, for which you will need to check their schedule and stops, and purchase the bus ticket.

Driving from Oklahoma City Will Rogers World Airport

If you drive from Oklahoma City Will Rogers World Airport, as you exit the terminal building, you will be on Meridian Road northbound. In approximately 1.5 miles, you will come to Airport Road. You should get on it eastbound. At the intersection of Interstate 44 (I-44), exit south on I-44, at which time you will be on Mile Marker 116. (Be ready to pay 2 tolls during your drive from OK City - will need \$2.75 to cover for both.) Remain on I-44 for the next 80 miles or so until you see the signs for "Key Gate", and exit on Key Gate, mile marker 41.

Ground Transportation

BUS/TAXI

The only cab service allowed to enter Fort Sill is AmeriCab Company. FORT SILL HOUSING SERVICES OFFICE . . . FREQUENTLY ASKED QUESTIONS

Q. I have just arrived to Fort Sill. How do I locate information about available and affordable off-post rentals that are located in a suitable neighborhood?

A. First, visit the Fort Sill Housing Services Office located 4700 Mow Way Road, 3rd floor(Welcome Center) for assistance in finding a rental that meets your needs. You are required to do this before you sign any lease contracts or deposit any funds to secure a rental.

Q. I have located a prospective rental unit however I have questions regarding some basic health and safety items with the rental unit. Who do I contact for assistance?

A. You should contact the Housing Services Office before you sign a lease agreement. We have qualified staff to assist you with the necessary steps in conducting a walk through inspection.

Q. I am considering renting a house and the landlord has offered me a discount on my monthly rental fee if I agree to do any required repairs and upgrades to the house myself. Should I accept this arrangement?

A. If you accept this offer, you and the landlord should put everything you

agree in writing, i.e., what will be fixed and when. You and the landlord must both sign the paper. Keep a copy for your records.

Q. What is the purpose of a security deposit?

A. A security deposit is money you pay to your prospective landlord to secure the rental unit. It is generally refunded in full to you at the end of the lease agreement, assuming no damages above and beyond fair wear and tear. Ensure that the amount you pay as a "security deposit" is annotated in your lease. You should never plan to use your security deposit as payment for the last month rent. In most cases, the security deposit is returned to you within 30 days of the final termination inspection. The exception being, when there are assessed damages, and repairs must be made to the rental dwelling.

Q. I have a pet and the Landlord wants a pet deposit.

A. Essentially, pets pose additional liability to the Landlord. If you are a pet owner, you may be asked to pay a nonrefundable" pet fee. If you own a pet that is considered an "aggressive

breed" you should expect that it will be challenging to find a suitable rental unit due to the associated liability to the Landlord. Most local lease agreements will have a list of the breeds that they are unwilling to accept.

Q. What if provisions of the lease agreement differ from the law?

A. Any provision which conflicts with a mandatory part of the law is unenforceable.

Q. I have fulfilled my lease agreement and now I want to vacate. What actions must I take?

A. A written notice, at least 30 days, must be submitted to your landlord. Remember to always provide the Landlord with a forwarding address if you are anticipating a security deposit refund. Always retain a copy of all paperwork for your records.

Q. How do I terminate my lease agreement when I receive my military orders and invoke the Servicemembers Civil Relief Act (SCRA)?

A. To terminate the lease agreement, the Servicemember must deliver to the lessor/landlord written notice of

termination and a copy of official military orders or a notification, certification, or verification from the Servicemember's commanding officer with respect to the Servicemember's current or future military duty status. Verbal notice is not sufficient. Delivery of the written notice may be accomplished in a number of ways, including hand deliver, private business carrier, or by certified mail with return receipt requested. In all circumstances, the Servicemember should obtain some proof that the lessor/landlord received the written notice and the date upon which receipt occurred. Note: For questions or concerns related to residential leases please seek guidance from your Legal Assistance Office.

Q. I live off-post on the local economy. How do I file a complaint against my Landlord or Property Manager?

A. The first step is to contact the Landlord or Property Manager and try to resolve the issue. If your Landlord or Property Manager fails to resolve your issue in the allotted time as promised, you can visit with the Fort Sill Housing Services Office at 4700 Mow Way Road, 3RD floor (580) 442-5190. We will assist you in resolving/mediating the potential complaint.

Basic Housing Allowance (BAH)-OVERVIEW

BAH rates are based on local area rental market data and vary by geographic duty station, pay grade and dependency status. The cost of utilities and renters' insurance is also considered.

BAH is based only on rental properties, not homeownership costs like mortgage payments and property taxes. The goal is that members receive a BAH that is sufficient to live a reasonable distance from a duty station.

RATES

BAH also includes rate protection. This means, if a member's current BAH rate is less than the previous year, the member receives at least the same amount of BAH as the previous year, provided that the member's duty location, rank and dependency status stays the same. If BAH rates go up, the member will receive the higher BAH rate as long as eligibility is uninterrupted. This ensures that members who have made long-term commitments in the form of a lease or contract are not penalized if the area's housing costs decrease.

HOUSING

BAH enables Service members to live off-base comparably to their civilian counterparts. It is not designed to cover all housing costs for all members. Some members may have out-of-pocket expenses, because rates are based on the median cost of rent. A member's actual expenses may be higher or lower based on a member's actual choice of housing and where they live.

Because members are free to make housing choices what best suit their needs, a member may choose to use all their housing allowance to rent for more expensive housing close to the duty station, or have a longer commute for either a larger or less expensive house in an outlying area.
