

******* ATTENTION *******

The ArmyIgnitED System will be impacted by major system upgrades to the Academic Institution Portal (AI). The AI Portal will be unavailable from 16 Feb through 23 Feb 2025.

Due to the impact to ArmyIgnitED, Soldiers will be unable to submit education goals, Tuition Assistance (TA) Requests and Credentialing Assistance (CA) Requests.

Soldiers must be proactive and plan to submit TA and CA requests before and after this downtime period. Soldiers who wait until the last minute and find that they cannot submit a TA request will not be afforded after the fact (historical) TA. Please submit any pending TA requests prior to 16 February 2025. There is adequate time with Soldiers being able to submit TA requests up to 60 days prior to a term start date and CA request no earlier than 45 days prior and up to 90 days before start dates. All existing CA start dates that occur between 16 and 24 Feb must be approved and paid. There will be no Exception to Policy granted for CA requests submitted on/after 24 Feb for any start dates that occur less than 45 days from submission due to the downtime.
